**Radisson Admiral Hotel
249 Queens Quay West**

Guest Speaker: ADAM NICKLIN

presents “TRANSFORMATIVE IDEAS for TORONTO’S PUBLIC REALM”

Adam is principal of urban design & landscape architecture for Toronto’s Public Works. He is among the creative minds behind our Waterfront developments and — along with Mary Liston Hicks — will give us a glimpse of 7 transformative ideas for Toronto’s public realm from the Waterfront to the Bluffs and beyond. As the downtown population doubles in 40 years, the Waterfront parks and public spaces will become even more valuable in shaping our quality of life. So join us to look, listen, learn and engage in Q&A!
