

Local Food Takeout and Delivery

The Waterfront Business Improvement Association (WBIA) works with local restaurants, bars, nightclubs and cafes that were ordered shut down due to the Coronavirus.

Fortunately we don't have to sacrifice good food or try to become gourmet cooks all of the sudden, because many restaurants and cafes offer takeout and delivery. By using their services, you will support our local businesses. Looking for a gift? You can purchase gift cards so your friends also can enjoy food from the restaurants listed here:
