Kenny Kirkwood

It is YQNA's honour to meet with Nawalka Geeshy Meegwun, 2-spirit Indigenous Justice Coordinator at Hamilton Community Legal Clinic, and Marie Gaudet, Ojibwe culture bearer and musician. We will also have our first Land Acknowledgement read by Kenny Kirkwood, jazz musician and fellow traveller with his Indigenous friends. They will talk about their goals and invite your questions.

The Island Airport – and aviation in general – is in flux. Guest speaker Brian Iler of Parks Not Planes speaks about the latest notable developments.
