Can this Waterfront park transform Toronto?

Tom Bessai and partner Maria Denegri both teach architecture at the U of T and head the Denegri Bessai Studio. Photos: Scott Norsworthy

Exciting plans for adding a major park to enhance life in Toronto come from seven cutting-edge architects. Presented by the Denegri Bessai team, we'll see how the island airport lands can add new beaches, recreation, sports, boating, culture and a green oasis at Toronto's front door.
