

Your Business On The Waterfront

Here are some quick updates and resources for your business during the holiday season

New Year's Eve Fireworks

The New Year's Eve fireworks are returning to the waterfront this year!

If your business is planning on **staying open and activating the night**, please let us know and the Waterfront BIA can provide some additional promotion!

Last year, many restaurants stayed open into the late evening and saw a significant influx of foot traffic.

Please reach out to jolene@waterfrontbia.com if you plan to keep your business open during New Years Eve.
