YQNA

York Quay Neighbourhood Association

# Tuesday March 18, 2025
# 7:00 pm – 9:00 pm

## In Person

**Radisson Blu Hotel in the Atrium, 2nd floor**
**249 Queens Quay West**

# Public Spaces Add Life

**Guest speaker Michael Conway is an expert in seamlessly weaving new developments into existing neighbourhoods and serving public needs. He has several outstanding urban landmarks under his belt, such as the unique King Portland Centre and The Well, both awarded for vibrant mixed uses and interesting designs. The Waterfront depends on public spaces for residents and visitors, so we will learn from Conway's ideas. He is associate partner at Hariri Pontarini Architects.**
